MEMORANDUM FOR: Executive Secretary
President's Foreign Intelligence Advisory
Board

SUBJECT : Semi-annual Report on Implementation of Joint
Study Group Report on Foreign Intelligence
Activities of the U. S. Government

REFERENCE : Memorandum from Mr. Bundy to DCI and SecDef,
dated 30 August 1961, requesting semi-annual
reports on the status of implementation of Joint
Study Group Recommendations

1. Attached is the semi-annual report on the status of actions taken to date in further implementing the recommendations of subject report. In preparing this report consultations were held among members of this Agency and those of the Departments of State and Defense; these Departments have prepared separate reports.

2. Recommendations 14 and 33 do not require continuing action and should be dropped from future reports. Further, I would suggest that the requirement for sending semi-annual reports be abolished, and that only oral reports on implementation of basic recommendations be required in the future.
